   1.6 individualized service patterns to accommodate the child’s changing nutritional, health, and medical status
   1.7 precautionary measures to protect personal health during service delivery
**Course Guidelines:**
1. A large part of professionalism in early childhood education is meeting deadlines, participating in class, keeping appointments, respectfully informing others about unavoidable changes. Your consistency in professional behavior will be graded in this course. No cell phone/texting allowed. **Professional Behavior = 20 points.**

2. Students must have access to a computer and the internet in order to complete coursework for this class.

3. See Course Outline, included separately.

**Class Activities:**
1. **Competency Summaries:** Write a 2-6 page paper, in general APA format, using outlines of topics followed with paragraphs to describe and demonstrate your understanding or knowledge of the Baby Watch Competencies (See above under Course Objectives). Paper will be worth 25 points.

2. **Quizzes** weekly – (10 points each) we will have 4 and one take home quiz for extra credit.

3. **Note taking guides** (10 points each) we will have 5

4. **Final Exam:** October 31 at 4:30 pm-or make other arrangements (location to be announced) 50 points of your grade

**Grading:** Grades are earned based on points accumulated (see above). Below is the basic grading scale we will use in this class. The key is to get everything in and keep up.

The diligent student will get an excellent grade in this class. There are enough assignments that will add up to enough points that each student should be able to score well in class as well as learn a great deal about Part C and the provision of early intervention services in the state of Utah. The point distribution will look something like this:

<table>
<thead>
<tr>

**Total: 205 Points**

**Academic Integrity:** This is just a short note to remind you that honesty and academic integrity is expected of students at all times. Basically, this means you do not copy other students work nor plagiarize published works. You can learn a
lot in this class, and you will do this by completing the coursework. Please let me know when you need help. After class is the best time to communicate this to me and I will schedule appointments on campus with you as needed. You may also communicate with me via email or telephone. Because much of your learning will go on in the classroom, your attendance is critical. However, it is understood that in rare occasions you might have a family emergency or personal crisis that will interfere with perfect attendance. Therefore, it is important to notify me in advance, if possible, if you will not be able to attend.

**Withdrawal:** If you decide to drop the class, it is up to you to turn in a drop card to the registrar to make sure you are off the enrollment list for the class. Refer to the DSC Academic Calendar for withdrawal guidelines and dates.

**Disabilities:** If you are a student with a medical, psychological or a learning difference and requesting reasonable academic accommodations due to this disability, you must provide an official request of accommodation to your Professor(s) from the Disability Resource Center within the first two weeks of the beginning of classes. Students are to contact the Center on the main campus to follow through with, and receive assistance in the documentation process to determine the appropriate accommodations related to their disability. You may call (435) 652-7516 for an appointment and further information regarding the Americans with Disabilities Act (ADA) of 1990 per Section 504 of the Rehabilitation Act of 1973.

**Writing:** The Writer Center, on the fourth floor of the Holland Centennial Commons Building, room 421, offers free tutorial help to all students assigned a writing project. The Center’s hours are as follows:

- Monday through Thursday, 9am-8pm
- Friday, 9am-5pm

You can walk in and begin working with a tutor if s/he is not assisting another student at that moment, make an appointment to return at another time or call (435) 652-7629 to make an appointment. Please bring to the Center a description of the writing project and a draft of the paper you wrote to meet the requirements of the project. Tutors will assist you with the organization and content of a draft. To derive the most benefit from the tutoring session please visit the Center at least two days before a paper is due. This will allow you time to revise.

**Tutoring:** Drop in tutoring is available to all registered Dixie State College students. Inquire at [http://dsc.dixie.edu/tutoring/index.htm](http://dsc.dixie.edu/tutoring/index.htm)

**Library:** If you need help from a librarian, access this site: [http://library.dixie.edu/](http://library.dixie.edu/)

**DMAIL:** Important class and college information will be sent to your dmail email account. This information includes your DSC bill, financial aid/scholarship notices, notification of dropped classes, reminders of important dates and events, and other information critical to your success in this class and at DSC. All DSC students are automatically assigned a dmail email account. If you don't know your user name and password, go to [www.dixie.edu](http://www.dixie.edu) and select “dmail,” for complete instructions. You will be held responsible for information sent to your dmail email, so please check it often.

**Policy for Absences Related to College Functions:** For students, such as student athletes, who travel as official representatives of the college, absences due to college functions will not negatively affect the student’s grade. The student is required to provide the instructor with a schedule of days that will be missed, will be required to negotiate any scheduled work ahead of time with the instructor.
