No More Dues!
Starting February 1, you no longer have to pay dues to be a member of the CSA! All classified staff are now members of this association. You are considered classified staff if you are not exempt, meaning you are eligible to receive overtime or comp time if you work over 40 hours per week. All part-time staff that are not student workers or work-study are also considered members of the CSA. The CSA Board is so honored to serve you and we hope you will contact one of us with comments or questions!

Legislative Brown Bag Lunch!
Watch for an upcoming flyer to announce the Legislative Brown Bag Lunch to be held March 20 at noon. Start now and prepare your higher education questions to ask Brad Last and Frank Lojko. Let them answer your in-depth university questions! Open to anyone on campus, bring your friends, neighbors, and boss!

Scholarship for Part-time Staff!
Your CSA Board has been given approval to invite full-time staff and faculty to donate to a scholarship fund to help eligible part-time staff personnel receive a scholarship. The more money we receive, the more scholarships we can fund. Since we no longer pay dues, please consider putting that $3/month toward the scholarships. Maybe even make it $5 and help even more of your fellow staff members. To donate, go to Dixie.edu and click on Giving at the very very top. In “other”, type CSA Scholarship. That’s all you have to do for a one time donation! Or, complete a University Fund card for a payroll deduction, full-time only. To get a card, contact Deb Forman at extension 7509.

An apple a day, keeps the Doctor away!

Wellness Council
There are plans in process to help us all be a little bit healthier and enjoy our lives more fully. Watch for more information, but in the meantime, enjoy the President’s Walk, year round, around campus and get some fresh air. There are maps in various places on campus that show the loops. They range from .25 to 2 miles long and are all on concrete. Get out and walk for life! Review the attached flyer for details about the Healthy Utah Testing!

Spring Social is Coming
The next CSA Spring Social is in the works. Planned for April 9, we are hoping to see you all there. It is going to be an open house style with a buffet lunch being served from 11:30 a.m. to 1:30 p.m. We would like you to let us know about any employee you have seen doing a “good deed” around campus, so we can especially acknowledge (embarrass) them. Contact Nikki Smith at extension 7723 or nsmith@dixie.edu.

Some Dixie State Details

First School Attempt
It was in 1888, not 1911, but it closed in 1893. The second founding was St. George Stake Academy in 1911.

State-sponsored Junior College
For two years, personal funding by the local community kept the school going, 1933 - 1935. In 1935 the community convinced the state to fund Dixie Junior College.
