Veterans' Preference Procedure

Human Resources will identify applicants who have requested and are qualified for veterans' preference.

For applicants who establish veterans' preference: preference will be given in the search process, provided the applicant meets the minimum job qualifications. Such preference is applied to the following procedure:

- The department hiring authority will evaluate candidates according to published job posting criteria and sort into groups.
- Veterans' preference is not considered in pre-screening (e.g. verification of meeting the minimum job qualifications) but is considered in steps following pre-screening (regular committee screening and interviews).
- There will be a formal review of application materials for any applicant who establishes veterans' preference who passed pre-screening.
- The interview of an applicant with veterans' preference will be conducted under the same format and conditions as the interviews of other top tier candidates.
