Separate record files may be maintained under the following categories: (i) academic, academic counseling, financial aid, and placement; (ii) disciplinary; (iii) medical, psychiatric, and health. When justified by legitimate law enforcement needs, the campus security agency may maintain confidential records relating primarily to its investigative function.

 - 2.1.1 Access to specific portions of a student's official record may be limited if the student has an unfulfilled financial obligation to the University.

- 3.1 Students must be registered in a class by the semester's add deadline to receive credit.
- 3.2 It is the responsibility of the student to check his/her class schedule, at the time of registration, after any adds or drops and prior to the end of the add and drop deadlines to make sure s/he is officially enrolled in classes.

IV. Transcripts

- 4.1 A transcript is an official record of a student's academic performance.
 - 4.1.1 The contents of a transcript may not be altered except as set forth in specific University policies.
- 4.2 Official transcripts can be requested online, in writing, by fax on the appropriate forms, or in person with picture identification at the Registrar's Office.
 - 4.2.1 In order to receive an official transcript, all financial obligations to the University must be cleared.
 - 4.2.2 A fee is required for an official transcript.
- 4.3 Unofficial transcripts, beginning with the academic year 1986-1987 are available online at no cost.

Any or all of these procedures may be part of the total evaluation as adopted by individual professors to fit the goals and objectives of a particular course.

VI. Midterm Grades

- 6.1 Instructors are required to submit midterm grades for students who have a grade of D+ or below.
- 6.2 The deadline for submitting midterm grades will be included in the semester calendar.
- 6.3 Submitting midterm grades for students whose grade is C- or above is optional.

VII. Final Grades

- 7.1 Instructors are responsible for posting final grades in the online student information system no later than two business days after the end of the final exam period for the semester.

 - 8.1.3.1 Exception to Policy Petition must be received within four calendar years of the grade being issued.

IX. Incomplete Grades

- 9.1 A grade of "I" may be used for a student who has completed a substantial portion of a course and is unable to complete the coursework for a legitimate reason (e.g. serious illness or accident).
- 9.2 The grade of "I" must be used only for a student who is passing the course and who needs to complete less than 20% of the coursework.

- 9.3 An "I" grade must not be used in a way that will permit a student to retake the course without paying tuition.
- 9.4 A student who receives an incomplete does not re-register for the class. If the situation requires that the student sign up for the class again, the instructor should give the grade that was earned. Ordinarily, completing the coursework will not require that a student attend class or complete the work by attending class.
- 9.5 Copies of the incomplete contract, signed by the instructor and the student, must be submitted to the appropriate department chair and the Registrar's Office no later than the third week of the following semester.
- 9.6 Once the student has completed the coursework, the instructor must submit a Grade Change form to the Registrar's Office.
- 9.7 The "I" grade will be changed to an "F" grade by the Registrar's Office after one calendar year if:
 - 9.7.1 The student does not finish the work.
 - 9.7.2 The instructor does not submit a Grade Change form.
- 9.8 Instructors may institute deadlines of less than one calendar year for the completion of coursework.

 - 10.1.2 The course repeat was taken at another institution but articulates to a Dixie State University course previously taken as determined by an existing articulation agreement or the appropriate department chair.
- 10.2 Students must register and pay tuition and fees for repeated classes.
- 10.3 When a course is repeated, the most recent grade received will be used in the calculation of the GPA.
- 10.4 Previous grades and credit hours for the same course remain on the student's academic record, but do not count in the GPA or total hours completed.
- 10.5 Credit hours for repeated course will be counted only once toward graduation

and other requirements.

XI. Academic Renewal

- 11.1 Academic renewal allows students to remove previous poor grades from grade point calculation in limited circumstances.
- 11.2 Academic renewal applies only to Dixie State University or transfer courses having grades of D+, D, D-, or F taken at least five calendar years prior to the time of the request.
- 11.3 All such courses will remain unaltered on the transcript with the appropriate notation added to the transcript to indicate academic renewal.

- 11.6 Each student may only receive academic renewal once. Academic renewal is not reversible.
- 11.7 Once a certificate, associate's degree, or bachelor's degree is awarded by any institution, course(s) completed prior to the award of that certificate or degree will not qualify for academic renewal.
