

Purpose

In order to maintain the mission of serving the faculty and the university, the DSU Faculty Senate has made available the following Input Form. This form is meant to notify the senate of matters within the university directly from the faculty. The senate provides an authoritative voice for faculty in all program areas and this input will help address matters on campus while improving communication and shared governance for DSU faculty.

Input Form

Give an explanation of the issue you want DSU Faculty Senate to address:

Give a proposed solution to the issue:

Note how you want to contribute to the solution:

Note your preferred timeline for the proposed solution:

The Senate will notify the faculty members when this matter will be discussed at Faculty Senate. Further discussion will follow after senate discussion. Please include the following information:

Name: _____ Department/College: _____
(faculty identification is optional)
